Unimicron Germany GmbH, as of 01/17

Dear Sir or Madam,

Unimicron is dedicated to serving you by providing high quality that meet environmental regulations, including EU Directive 2012/19/EU WEEE, also REACH (EC) 1907/2006 and ROHS 2011/65/EU.

As a manufacturer of Printed Circuit Boards we are a downstream user (manufacturer of products) according to the REACH regulation. According to the information of our suppliers, the materials we use do not contain substances of the SVHC candidate list. We agreed with our suppliers that they provide us only with REACH - and RoHS conformant products. If the products fail to conform with the regulations and directives, the suppliers are obliged to inform us immediately. Whenever we are aware that our products are subject to the obligation to notify, we will inform you by our own accord.

We are providing you the following information to assist you in meeting your environmental policies and procedures. However, we hope that this letter contains your desired information and thank you for your trust and good cooperation.

Please do not hesitate to contact us if you have further questions.

Yours sincerely,
